A high-contrast, black and white portrait of a woman, Shasta Wonder, looking upwards and slightly to the right. Her face is partially in shadow, and her hair is dark and voluminous. The lighting highlights the contours of her face and neck. The background is dark and out of focus.

A woman with long dark hair, seen from behind, is walking away on a narrow concrete walkway in a large, abandoned, circular building. The structure has a high, vaulted ceiling with a grid of metal beams and a series of curved walkways and railings on the upper levels. The lighting is dramatic, with strong shadows and highlights, emphasizing the textures of the concrete and metal.
